From

The Secretary to the

Sir,

When the Kuran had come to this District in 1895 we were pleased to order that the District Fund road from Harihar pur to Sringeri should be metalled throughout. The Executive Engineer has accordingly been requested to collect metal. There is no money in the District Funds. I beg therefore that a grant of Rs 3,000/- may kindly be made from the Local

Local Funds General for this year.
The total length of the road being
13 mile. the cost of the work as
ordered, will come to about
Rs 13,000/- An estimate therefor
will be submitted in due course
As the work is to be put
in hand at once the above
grant of Rs 3,000/- for this
year has been asked for.

I have the honor to be,
Sir,
Your most obedient Servant

W. K. Kunhalatan
